Notification D. No. 55, dated 27th November 1918.

Estimates for Printing Departmental Publications.

1. Detailed estimates with specimen pages of printing and samples of printing paper and cover paper and card board proposed to be used in binding the several books, are invited from the Proprietors of Printing Presses or duly authorised Managers thereof, for printing the undermentioned departmental manuscripts. Specimens of samples of paper and card board sent should bear the seal of the press submitting the same.

2. The estimates should be enclosed in sealed covers and be superscribed "Estimate for Printing Departmental Manuscripts." They should be accompanied with a deposit of Rs. 50 in "Currency Notes" and sent so as to reach the office of the Inspector-General of Education, Bangalore, on or before the 8th January 1919.

3. The types, printing and binding should be similar to those of the best books of the Department of corresponding size which can be seen in the office of the Inspector-General of Education. Printing paper to be used for the books must be glazed white paper and the weight per ream should not be less than 16 lbs. in the case of books of Demy (single) size and 28 lbs. in the case of books of Crown (double) size.

4. The time required for printing and supplying bound copies of each book should be stated.

5. Competitors whose estimates have been accepted will be required to execute the usual contract bond on a stamped paper within eight days of intimation of acceptance, failing which the acceptance will be considered cancelled and the deposit will be forfeited.

6. The Inspector-General of Education reserves to himself the power of accepting or rejecting any estimates without assigning any reason therefor.

7. Estimates failing to comply with any of the above requirements will not be considered.
